

POPULAR PENINSULA HOMES . . . Shown is one of varied stylings at Country Club Unit of Grandview Palos Verdes, where trade-up program has spurred rapid sales pace. Company will soon offer new development on peninsula, to be priced from \$24,500.

#### Packs More Wallop

A new development in solid propellants that will reduce the weight of rocket motors and increase energy output about six per cent, has been announced by B. F. Goodrich Aviation Products. The B. F. Goodrich division produces rocket motors at its plants near Rialto, Calif.

### New Community in Palos Verdes Announced by Grandview Official

A new Palos Verdes community, featuring all new plans and a new low price, has been announced by the Grandview Building Co., developers of Grandview Palos Verdes and West Palos Verdes, luxury peninsula homes.

With full details still to come, director of sales Bill Kulow announced this week that the development, to be known as Grandview Rolling Hills, will be priced from \$24,500. It will be located in the peninsula's north-central area, off

Silver Spur Rd. adjacent to completed and occupied components of Grandview Palos Verdes, where nearly 1600 families have purchased homes.

A NEW HIGH school, the peninsula's second, will be built within walking distance of the forthcoming new development, the Palos Verdes Unified School District has revealed.

"These homes," Kulow said, "will dramatically place within the means of many families Grandview-built homes on the smog-free, prestige Palos Verdes peninsula."

IN ANOTHER announcement, Kulow revealed that sales at West Palos Verdes Estates and Grandview's Country Club Unit last week ended amounted to \$250,000. He attributed the late June spurt to the ending of the school term and the desire of families contemplating a move to get settled during the summer in time for the fall term.

Country Club Unit prices start at \$28,335 for spacious three bedroom and family room, two bath models. Seven furnished model homes may be reached via Crenshaw Blvd. to

Silver Spur and turn right. WEST PV, located near the ocean-view intersection of Hawthorne Blvd. and Palos Verdes Drive West, is now priced from \$36,300 with the sale of some of the lower priced plans.

Split level stylings and the award-winning Deauville, with 2129 square feet of inside space, are among homes available in both locations. Trades are actively considered.

#### Theater Bus Trip Planned

Reservations for the Torrance Recreation Theater bus to attend the Pilgrimage Play in Hollywood next Friday, July 14, currently are being accepted.

Theatergoers will leave the Torrance City Hall at 7 p.m. Friday to visit the famed life of Christ presentation, now in its 31st season under the direction of John A. Ford.

Reservations, costing \$3 apiece, should be made by calling the Torrance Recreation Dept., FAirfax 8-5310.

### American S & L Will Continue High Interest

American Savings and Loan Assn.'s board of directors has voted to continue the current yearly interest rate of 4½ per cent for the quarter beginning July 1, announced Executive Vice President Lowell Peter son.

The 41-year-old association, with offices in 12 Greater Los Angeles locations, will end the second quarter of 1961 with assets over \$281 million. This represents an increase of 28 per cent compared to June 30 assets in 1960. Reserves, also at a record high, total over \$25 million, more than twice Federal requirements.

Savings received by July 10 will earn interest from July 1. Over 109,963 savers will receive American Savings' second quarter interest payments of over \$2½ million this year.

American Savings and Loan Assn. headquarters are at 210 E. Philadelphia St., Whittier. Branch savings headquarters are located in Azusa, Hawthorne, La Puente, Manhattan Beach, Montrose, Norwalk, Palmdale, Redondo Beach, Redondo-South Bay, Temple City, Whittier, and East Whittier.

### Garden Checklist

1. Watering is your primary job during July. Lack of moisture will become obvious and perhaps too late. Mulching will conserve moisture.
2. You can stop pinching chrysanthemums after this week. Food and water is all they need between now and bloom.
3. Set out bedding plants, some for quick colors now, others for bloom in fall.
4. Plant berried shrubs now and enjoy their fall display.
5. Feed Roses again this month and water them liberally. Head back lanky growth to keep the bushes attractively shaped.

#### Polio, Tetanus Clinic Slated

Los Angeles County Medical at Greenwood School, 1520 Assn. will hold a polio and tetanus clinic sponsored by the day, July 13. Cost is \$1 per Torrance Junior Woman's club shot.
